

Topics for inclusion in the Parish Plan for the life of the current council, (2015 to 2019)

(Eta = estimated time of action)

1 Affordable Housing. To work with the NFDC as part of the Local Plan Review/Call for Sites.

2 Open spaces

- a Dudley Avenue** – progress BMX Track and Toddler Road Way. Wildflower meadow, car park/bund, bins, seating, fencing. Fill in undulations. Notice boards.
Working Party established. ETA 2015/16
- b Hordle car park and fencing.** Car park tarmac degrading. In places potholes developing, in places settlement has lead to significant puddling. Fencing is timber posts and rail plus picket style around green area. Timber in places very rotten (bottom of posts). Cycle park/rack.
ETA 2016/17
- c Golden Hill Woods-** wood naturally developed out of an old marl pit site. Significant tree works undertaken over the last 3+ years. Site contains several ponds one historically dammed but in disrepair. Timber walkways in disrepair. Site very undulating. This site needs a management/project plan put in place. Signage/wildlife boards, create a circular path.
To budget for maintenance issues. To work alongside Community Wildlife Plan.
- d Golden Hill Track – this track enables 4/5 properties access.** Contact has been established with residents and proposals made to improve the track on a shared cost basis.
Project underway. ETA 2015/6
- e MUGA-** floods in winter, surface degrading, single point of entry, close to neighbouring properties – noise complaints. Income generation if quality of surface improved.
ETA 2016/17
- f Hordle & Everton Recreation Ground - ground works** – bottom end of Everton recreation ground becomes very wet in winter and can affect football pitches, encroachment from woods/weeds. Moles. Hordle rec – settlement of old ditch lines and significant mole damage. These affect the football pitches and cricket out field. Work to improved playing surface would be costly and possibly prevent/reduce play for a season.
ETA 2017/18

Long Term aspirations

- h Whitbread Woods** and the issues associated with the parish acquiring more open space for recreational purposes.
- i Allotments,** the parish still has no allotments and finding suitable land is an ongoing requirement.
- j Pylons,** we should try to have all pylons in the parish replaced with underground cables.

3 Highways and transportation Issues - Issues parish aware of and to work with appropriate groups/agencies to improve.

- a **Roads/Footpaths/potholes**– problems reported with footpath within the parish- consider project/portfolio holder.
- b **Roadside verges/hedges and fences.**
- c **Rights of way** – problems reported- consider projects.
- d **Bus routes and services/transport.**
- e **Street lights in Everton.**
- f **Ashley Lane bus layby/crossing/ bus shelter.**
- g **A337 traffic lights/crossing.**
- h **Flooding outside Everton garage.**
- i **Wainsford Road& Wootton Road speeding /volume of traffic.**
- k **Speedwatch (link to community engagement)**
- l **Road signage**

4 Community Engagement WP. (Working Party to be established 1/12/15)

- a **HEG – review working partnership**
- b **Encourage volunteer groups**
- c **Litter - Working party established.**
- d **Social media**
- e **Increase Sports participation**
- f **community wildlife group**
- g **Dementia Friendly**

5 MANAGEMENT ISSUES –_Individual working parties to be set up

- a **Public reception/Parish office/staff facilities** In discussion with Hordle Community Association as soon as possible
- b **Pensions/Auto Enrolment eta 2016 for implementation 2017**
- c **Everton pavilion lease-** needs to be renewed and agreed by 2017
- d **Hordle Pavilion Licence** – to be reviewed/renewed. Annual.
- e **Facility charges and terms and conditions** – the following facilities are available/could be made available for use – football pitches, cricket pitches, MUGA, boules, car parks, recreation grounds, woodlands, ponds. Need to consider access, H&S, costs, marketing
- f **To provide further Groundsman/Handyman hours to accommodate increased facilities and open space management.**
- G **To provide electricity to the boules shed**
