

## Item 13 – Clerks’ Report April 2024

**Hordle Lakes Easement** – completed.

**Insurance claims** –

1. Height barrier is progressing; quote for repair has been received.
2. 15 Charnock Close – damaged perimeter wall is being investigated.

**Wildflower bed at Ashley Lane** - The Groundsman will lay this out and we are waiting to hear from SGN when they can dig it over.

**Community Orchard** – The Groundsman has enhanced the wildflower beds here.

**Cricket pitch at Hordle Rec** – Topsoil has been delivered but it has been too wet to lay it down. Also too wet at both recs for grass cutting.

**Groundsman’s Van** – has been booked in at Milford Motors later this month. Should be approximately £500 cheaper than main dealer.

**Litterpick** – 15 bags of rubbish collected between the two locations. Thank you to Cllrs Warne Holland, Ferguson and Sandford for helping on the (wet and cold) day. Thank you to Cllr Rook for providing hot coffee at Everton!

**Tiptoe Fayre 11<sup>th</sup> May** – any other volunteers for the Parsh Council stand? We only have Cllr Warne Holland at the moment, which makes it unviable.

**Community Resilience Forum** – Cllr Rook and the Clerk attended; useful event and the Emergency Plan will be revised as a result.

**End of Year** – currently underway.

**VASLR** –
