Nominations were sought from the public for people and organisations who had gone the extra mile for their communities over the past 2 years. We are very proud of them!

Parish Assembly

Over 40 people attended the Parish Assembly on 3rd May. As well as featuring the presentation of the Parish Heroes Awards, there was a review of Parish Council work and achievements over the past 12 months. This included:

Councillor Rob Tarbard

Cllr Rob Tarbard has taken the decision to stand down from the Parish Council after 4 years of service. Cllr Tarbard has been instrumental in several council projects including the VASLR speed indicator, Speedwatch and improvements to Everton Rec and the Parish Council would like to thank him for his years of service and wish him well.

Your Parish Needs You!

As a result of Cllr Tarbard’s resignation, there is a vacancy for a Parish Councillor, which will be filled by co-option. If you would like to make a real difference to your community, why not apply? More details and the application form are on our website: [Vacancy for Councillor – Hordle Parish Council](#).

Blooming Marvellous Flower Bed

The Parish Council has created a new bee-friendly flower bed by the WI hall in Hordle.

The bed has been planted up with wildflowers and perennial plants beneficial for wildlife including lavender, broom, and rosemary. It will be added to over the coming weeks to make sure it is lovely for people and wildlife alike all year round.

Dog Walkers’ Charter

The Parish Council has launched a consultation on its new Dog Walkers’ Charter, which aims to make all of the Council’s shared open spaces usable for the whole community. 100 responses have been gathered from the online and face to face surveys at the recreation grounds over recent weeks, with an overwhelmingly positive response to date. Useful comments have been made which will be considered before the charter is finalised. To find out more visit our website and we will publish an update in the next edition.
