

Item 15 – Clerks’ Report June 2024

Bus Shelter

Westmoreland Court on Stopples Lane has asked if the Parish Council can provide a bus shelter in this for their residents. Bus shelters cost in the region of £6-10k. Permission would also need to be sought from HCC if HPC wished to progress this next year.

Stopples Lane/ Everton Road Cycleway

Folowing last month’s meeting, HCC were approached about swapping the carriageways. They will inspect and let us know.. They have confirmed that we cannot do any line marking on their part of the cycleway.

Heath Road/ Dudley Avenue Rec footpath

Groundsman has now made good.

Acacia Bollard

Has been vandalised so Groundsman has removed it. He will shortly fit the larger replacement.

Website

Cloudy IT has confirmed that they will be transferring the hosting of our website to a company called Aubergine. Meeting with Aubergine is scheduled for July. They have stated there will be no increase in cost and the site will continue to be Wordpress based. Reviews from other PCs with Aubergine are favourable.

Everton Pavilion Lease

Solicitor has sent lease to EPMC.

Twinning Association Scarecrow Competition

The PC has been asked if it can sponsor the junior event with book tokens as prizes – suggested prizes: 3rd Place: £10, 2nd place £15, 1st place £20.

Volunteers Thank you event

A small gathering to thank the Golden Hill, HEG and Speedwatch volunteers to be held at Hordle Pavilion on either 22nd or 29th July 2-4pm. All welcome.

**VASLR Blue Cedar, Tiptoe Road,
23/5/24 – 10/6/24**

Unfortunately, some data is erroneous due to vegetation hindering sensing capacity (cars not sensed at all or too late).

Incoming data is most affected, half the amount I would expect, when compared with outgoing and previous Tiptoe data (other location).

Incoming: 7957

Outgoing: 16304

% under speed limit is 88%, (previous tiptoe data Tiptoe Green, 85%) so not too dissimilar.

Highest speed, 52 mph outgoing. Cars pinged = 6 in half hr section, cannot tell speed of other 5.
