

Item 18 – Clerks’ Report July 2024

Hordle Pavilion Lease

This has now been finalised and lodged with Land Registry.

Acacia Triangle Bin

A replacement lid has been ordered at a cost of £230.

Fencing

Fencing at the War Memorial and on the cycleway has become rotten and requires replacement. Quotes are being sought – will be brought to a future meeting.

Everton Rec

Resident on Frys Lane is installing a cabin. Access via the rec from Greenmead Avenue for a small digger has been agreed for 1 day, date tbc.

Groundsman’s activities

Hedge cutting, planting, spraying, strimming, watering – a very busy time of year.

Football

Hordle Spurs have offered to donate the four goals at Hordle Rec to the Parish Council.

Terms & Conditions have been agreed with NMTR and MYFC. A weed & feed treatment has been done at both recs. Everton requires some work to counteract dips and holes.

Volunteers Thank You Event

A small gathering to thank the Golden Hill, HEG and Speedwatch volunteers to be held at Hordle Pavilion on either 22nd or 29th July 2-4pm. All welcome.

Duke of Edinburgh volunteer

A Year 12 student is volunteering for the Parish Council to litterpick around the parish for the next 12 months as part of the volunteering section of the D of E Award.

VASLR Everton Road, 12/6/24 – 10/7/24

Unfortunately, having tried to choose allocation where there would be no road works, some turned up almost instantly! On the bar graph it shows a consistent number of vehicles in both directions but the green lines clearly show how after the lights were removed, the incoming speeds reverted to 'as normal' as there were not cars sat at lights and therefore going through at a slower rate.

Incoming: 27,698 (Last month Blue Cedar, Tiptoe 7957)

Outgoing: 28,662 (Last month Blue Cedar, Tiptoe 16304)

% under speed limit is 85%. This could be 'low' as people rushed to get through lights - 31-35mph is high.

Highest speed, 62 mph outgoing, 5pm Sunday. Cars pinged = 25 in half hour section, the speed of other 24 is unknown.
